

Due to COVID-19 “Shelter-In-Place” public health order, all NAMI Coachella Valley events will be virtual online until further notice. We invite you to join us by phone or computer/tablet using the ZOOM app.

What is the NAMI Family Support Group Program?

FSG provides support, education, advocacy, and resources. FSG is a group for families, relatives, spouses with a loved one who experienced symptoms of a mental health condition.

Families can gain insight & hope from the challenges and success while developing supportive relationships in a non-judgmental safe space.

Please note students & professionals’ observation is not allowed in support groups
